Insurance Product Information Document

Company: EUI Limited

Product: Home Emergency Cover

EUI Limited is registered in the UK and is authorised and regulated by the Financial Conduct Authority, Financial Services Register reference number: 309378

This document summarises the key features of the insurance policy and is not tailored to you. Your complete pre-contractual and contractual information will be included in your Policy Schedule and other documents upon purchase.

What is this type of insurance?

Home Emergency Cover provides assistance for the emergencies specified in this policy. For example, broken boilers, burst pipes, broken windows, doors and locks. It is not intended to replace the normal day-to-day maintenance of your home. We'll help to arrange and pay for any work needed to make a temporary repair to resolve the emergency in your home. You'll be covered for up to £500 per claim with no excess to pay.

What is insured?

We'll provide up to £500 for call out charges, labour, parts and materials to carry out a temporary repair to the following emergencies.

- ✓ **Plumbing:** We'll cover issues relating to water pipes inside your home, including pipes connected to your shower or bath, internal overflow pipes and leaks from your toilet. We'll also cover a failure of the toilet flush mechanism.
- ✓ **Drainage:** We'll cover blocked waste pipes or drains that are your sole responsibility, including blocked sinks, baths, toilets, rainwater drains and soil vent pipes.
- ✓ **Electrics:** We'll cover failure of your electricity supply.
- ✓ **Windows, doors and locks:** We'll secure broken external windows, doors and locks.
- ✓ **Boiler and heating system:** We'll cover your boiler, heating system or hot-water system if it fails or breaks down because of:
 - An emergency, leaving you without heating or hot water.
 - A loss of water pressure within a boiler due to a fault.
 - A water leak from the boiler or heating system.
- ✓ **Accommodation:** We'll pay up to £500 for accommodation and transport if your home remains uninhabitable overnight. The maximum we will pay per night is £250.
- ✓ **Temporary heating:** We'll pay you up to £50 towards the cost of heaters if you have no heating and the engineer is waiting for parts.
- ✓ **Unlimited claims:** There is no limit on the number of claims you can make in each policy term.

What is not insured?

- ✗ **Claim notification:** We won't cover any emergency not reported to us within 4 days of it being discovered.
- ✗ **Boiler and heating:** We won't cover underfloor heating systems and commercial boilers or heating systems with an output of over 70kW/hr.
- ✗ **Boiler located outside of your home:** We won't cover any boiler or heating system outside your home, unless this provides the main source of heating for your home.
- ✗ **Electrics:** We won't cover an intermittent failure to the electrics within your home.
- ✗ **Windows, doors and locks:** We won't cover internal doors and windows that do not affect the security and safety of the property. We won't cover replacing lost or stolen keys.
- ✗ **Plumbing:** We won't cover pipes outside your home, dripping taps, domestic appliances, or frozen pipes where no damage has occurred.
- ✗ **Drainage:** We won't cover shared or local water-authority drains, manholes, soakaways, cesspits, guttering or downpipes, treatment plants or septic tanks, or drains that aren't totally blocked.
- ✗ **Trace and access:** We won't cover the cost of work to find the source of the emergency.
- ✗ **Maintenance:** We won't cover normal maintenance that should be carried out.

Are there any restrictions on cover?

- ! **Parts availability:** If the engineer is not carrying the correct part to deal with an emergency it could mean the repair is delayed until the part is sourced.
- ! **Contractor availability:** In some circumstances there may be a delay in our contractor's attendance, for example, bad weather limiting the availability within your area.
- ! **Air or ground-sourced heat pumps:** Cover is provided on a reimbursement basis only.

Where am I covered?

- ✓ We cover homes in the United Kingdom of Great Britain and Northern Ireland.

What are my obligations?

- Please call us within 4 days of discovering the emergency.
- Normal day to day maintenance of your home.
- In some instances you will be required to replace the temporary repair with a permanent one.

When and how do I pay?

You can pay for your insurance with one lump sum with a debit/credit card when you take out your policy. If eligible, you can pay in monthly instalments by Direct Debit. Monthly instalments will apply for the duration of the policy.

When does the cover start and end?

Your cover start and end date is shown on your Policy Schedule. If you do not wish your policy to automatically renew, please let us know.

How do I cancel the contract?

You can cancel at any time either by phone or in writing to our Customer Service department. These details can be found within your policy documentation or on our website. If the product is a standard feature in the policy it cannot be cancelled independently.
